There's a new man in charge of the circuit clerk's office in West Palm Beach this week. He is a George Butts in last spring's primary election. Alex was busy on Tuesday of this week when I saw him taking over the office and all of its intricate workings. He wasn't too busy though to offer that usual friendly greeting which was characteristic of him during the years that he traveled through the Glades selling automobile accessories. We're going to miss his regular visits to the Glades but I'm guessing that Mr. Butts's office every day during the coming four years.

I made notes earlier in the week for a lot of nice things to say about people in this week's column but one of our boys in the department was tapped unceremoniously by old man "the" and I've had to take his place. Therefore, I have time and hope for a later date.

\$1500.00 In Cash Prizes & Commissions Await Ambitious Workers

The News is still calling for workers to take part and share in the big cash distribution in the subscription campaign in which approximately \$1500 in cash prizes and commissions await ambitious workers.

Never before in this section of this territory has there been an opportunity like this in which men and women, boys and girls, may profit so largely.

Contrary to some contents, the campaign was not being opened by the News operators as a decreasing vote schedule basis. The biggest home advantage is in the first "here today" declared by T. Stokell, campaign manager.

The decreasing home vote schedule was a square deal to every participant and rewards the workers who will seize the opportunity to get out and secure a big share. Next Saturday is the first report day, and every participant is expected to report in person, by telephone or by letter.

The list of standings of the various workers will be published from time to time throughout the campaign. Those who have received votes will receive credit in the published list, but at no time will the list be published.

The number of candidates included in the special interest that has been given in the campaign since the preliminary announcements.

It is not too late to enter and it is an ideal time to make the nominations and get started. Mr. Stokell said today. Next week will be the first official vote.

Jack Baker Takes

County's Sheriff

Altman Morgan Of Pahokee To Be Glades Deputy

Palm Beach county now has a new chief law enforcement officer. Sheriff J. A. Baker took over his duties on Monday, Sheriff J. A. Baker took over his duties on Monday, Sheriff J. A. Baker took over his duties on Monday.

Lawrence turned over the person file, the keys to the jail and sheriff's office to his successor, Jack Baker.

When Mr. Baker took over, he found a record was made as now a father and two sons have been in the county since the county was established.

George Baker, the father, was the first sheriff of the county. He was followed by his son, "Bak" and now by "Jack".

The official badge which "Jack" will wear is one issued by the father and brother, and was made out of a \$20 gold piece, and was a prize family relic for many years.

Mr. Baker has been a prominent attorney in West Palm Beach, and has been a member of the West Palm Beach Chamber of Commerce and a member of the Kiwanis club.

Stuart Cage Team
Takes Game From
Cagni's Blue Devils

Visiting Netmen Score In
Last Minute To Cinch
Their Victory

The Pahokee basketball team opened on Tuesday night, when the Stuart Tigers came over to play Coach Cagni's team. The attendance was one of the largest for several seasons, and gave good omen for a successful season.

For the first games of the season both Pahokee teams put up a smart game, the Pahokee players winning over the visitors by a score of 31 to 25.

What a battle that was in the boys' game, exciting all the time with one team leading and the other with Stuart getting a last minute goal to win 25 to 24.

Coach Cagni, the foot ball coach, was in the Pahokee line, and showed just as clever manipulation of the basket ball as he did the foot ball, and his long shots for goal counters, kept the Pahokee team in the lead.

Jack and Pugh handled the contests as floor officials. Walker Fears, of Belle Glade, is the team manager of the Blue Devils.
